

This week's Virtue of the Week will be **PATIENCE**.

Monday: WHAT IS PATIENCE?

Patience is quiet hope and trust, expecting things to turn out all right. Patience is being calm and tolerant when difficult things happen. It means showing acceptance when you or others make mistakes. Patience is doing something now so that later it will bear fruit, like planting a seed and waiting for it to grow. Patience is a commitment to the future.

Tuesday: WHY PRACTICE PATIENCE?

Without patience people want everything NOW. They complain when unpleasant things cannot be helped. They act mad when things don't go their way. When people practice patience, they can wait without complaining. They forgive others and themselves for mistakes. They make the world a kinder, gentler place.

Wednesday: HOW DO YOU PRACTICE PATIENCE?

Practicing patience is accepting things you cannot control, like the way other people act, or even an illness or handicap you have to live with. Patience is waiting without complaining. When you are patient, you show gentleness when you or others make mistakes. You set goals and persevere until your goals are won. You picture the end in the beginning. You know that good things take time.
